khclassifieds

khuluma is a full-colour, glossy, in-flight magazine published monthly for kulula.com. This contemporary publication encourages kulula fans to take **khuluma** home, extending the exposure and eyeball time beyond the flight experience.

Fans are transported into a world of exciting events, the latest shopping and food trends, the best leisure spots, hilarious interviews, unusual travel experiences and behind-the-scenes peeks at South African culture.

In-depth articles on green trends, local heroes, personal finance and motoring are included in this eclectic content, ensuring that a cross-section of society and ages is kept entertained throughout the flight.

The **khuluma** khclassifieds offer fans a wealth of shopping, accommodation, discounts and more, and advertisers a dedicated section for showcasing their products.

This section will be bound into the back of the publication for ease of access. Let's go shopping!
